UGM 2023

AUGUST 21-23

This is a preview document. To submit a presentation idea for UGM 2023, you must fill out the [online form](#). A UserWeb account is required to submit a presentation idea. Need one? [Click here](#).

Contact Information

***First & Last Name:** _____
Credentials, Title, organization, and email pull in from your UserWeb account.

Speaker Information

***Will you be speaking or are you submitting on behalf of others?**

- I will be speaking
- I am submitting on behalf of others

A UserWeb account is required to speak at UGM. Need one? [Click here](#). The form allows for up to 4 presenters per submission. If your session is accepted, you will have the opportunity to add additional presenters. Registration fees are waived for 2 speakers per organization when 1-2 organizations are presenting a session, and 1 speaker per organization when 3 or more organizations are presenting.

***Describe the experiences that qualify the speakers to present on this topic.**

***Are all presenters direct employees of Epic customers or Epic-licensed affiliates?**

All presenters must be direct employees of Epic customers or Epic-licensed affiliates. Submissions with presenters not from an Epic customer or Epic-licensed affiliate will not be accepted.

- Yes
- No

Event Information

***Select the event to which you are submitting:**

- Chief Analytics Officer/Chief Data Officer Forum
- Chief Financial Officer Forum
- Chief Nurse Forum
- Chief Operating Officer Forum
- Chief Physician Forum
- Directors and Associates Council
- Financial Leaders Advisory Council
- Health Plans & Managed Care Advisory Council
- Nursing Advisory Council
- Perioperative Clinical Advisory Council
- Pharmacy Advisory Council
- Physicians Advisory Council
- Regulatory Programs and Quality Measurement
- Safety Forum
- UGM Peer-to-Peer (Choose this if you're not sure where your session best fits)

Presentation Information

*Title of Presentation:

The title should be short but descriptive. Avoid overly themed titles that don't convey the session's purpose.

*Brief Description for Agenda:

Briefly describe what will be shared or shown in the session. (Character Limit 450)

*Improvements:

What are the outcomes or quality measures associated with this project? How did you measure these outcomes? (Character Limit 500)

*Detailed Description:

Help reviewers understand why this topic should be chosen. Provide context on the problem you were trying to solve. What is novel or innovative about the topic? What research or evidence can you share to support your claims? How will learners improve their work or workflow as a result of attending this session? (Character Limit 4000)

Session Information

***How long has your organization been live with this functionality?**

- Under 1 Year
- 1-2 Years
- 3-5 Years
- Over 5 Years
- Not Yet Live on Functionality
- Not Presenting About Functionality

***Did someone at Epic ask you to submit on this topic?**

- Yes
- No

***If yes, who?** _____

***Have you previously presented this topic or are you scheduled to present this topic at an Epic event?**

- Yes
- No

***Will your presentation include custom development?**

- Yes
- No
